

Hawai'i County Brownfields Workshop

County of Hawai'i - Planning Department
Michael Yee, Planning Director
November 2, 2017

General Plan Update

Hawai'i County Brownfields Workshop

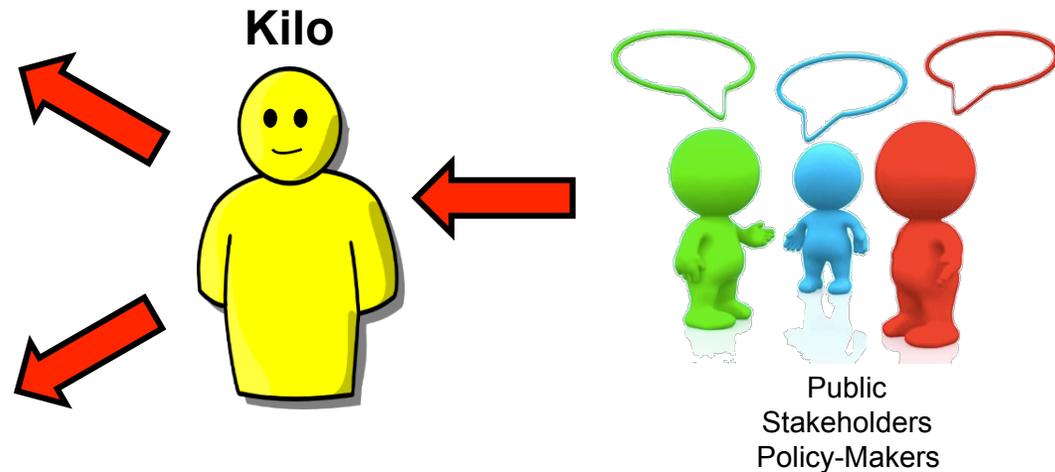

THE GENERAL PLAN IS A KEY PLANNER'S TOOL

Sets forth the Council's policy for long-range, comprehensive development of the County

Mandated by HRS & Charter

Meant to guide all development patterns

Establishes priorities for public investments

Where We've Been → *Where We Are* → *Where We're Headed*

 - Improved Monitoring & Evaluation

Relationship Between General Plan and Community Development Plans

Hawai'i County Brownfields Workshop

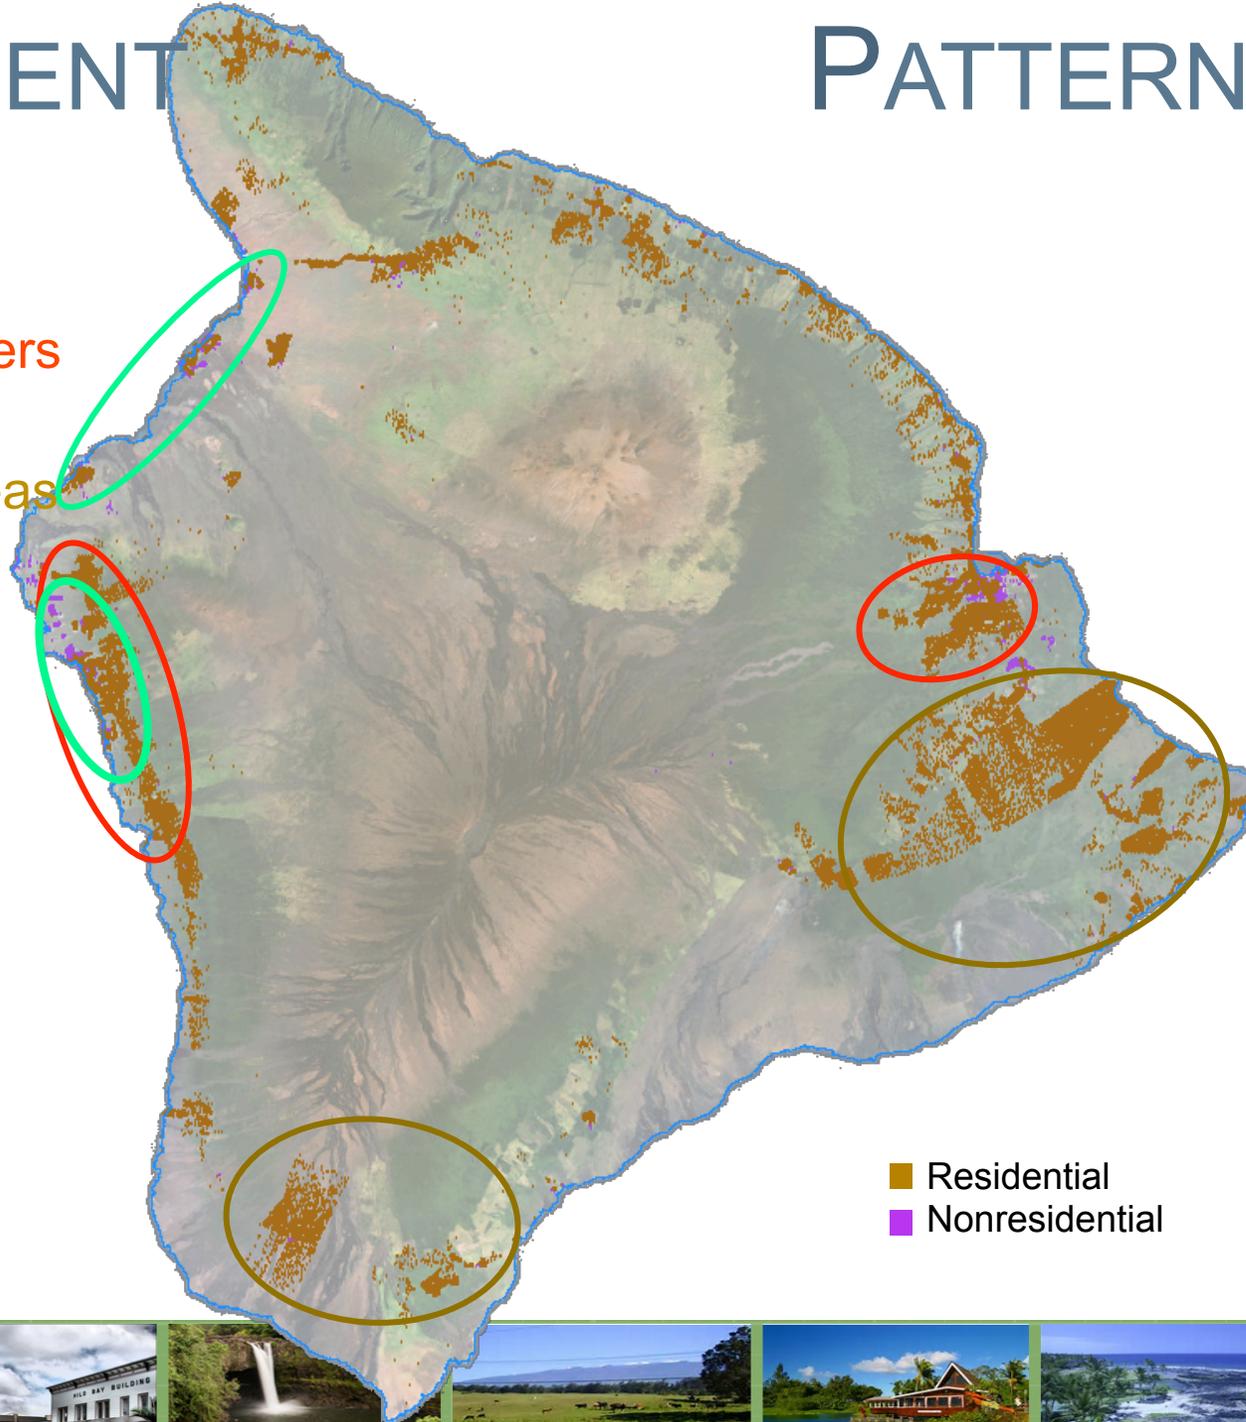

DEVELOPMENT TODAY

PATTERNS

- Two primary urban centers
- Visitor industry centers
- Underserved growth areas
- Otherwise rural

These patterns were established in the 1960s

Only 60% of population in Census urban areas

Low population density

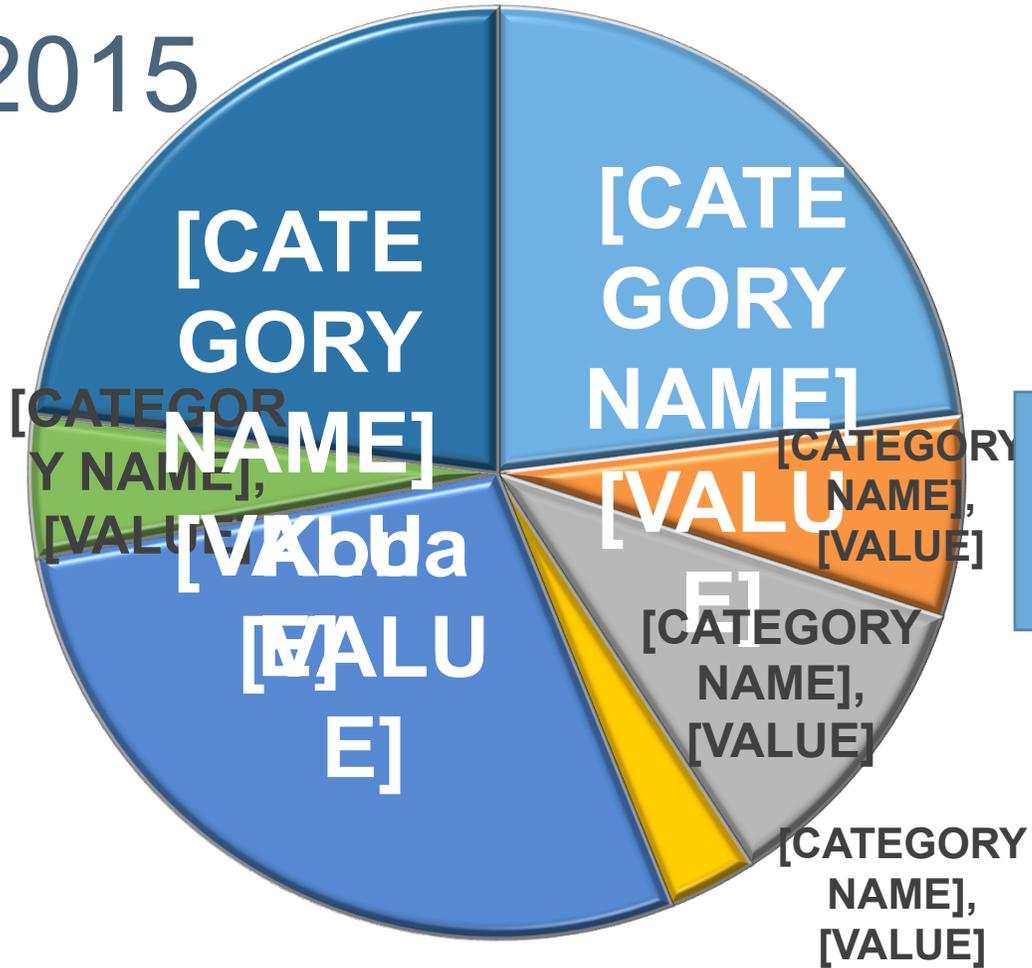

Ring of small historic towns and villages, often with rural residential and small farms nearby

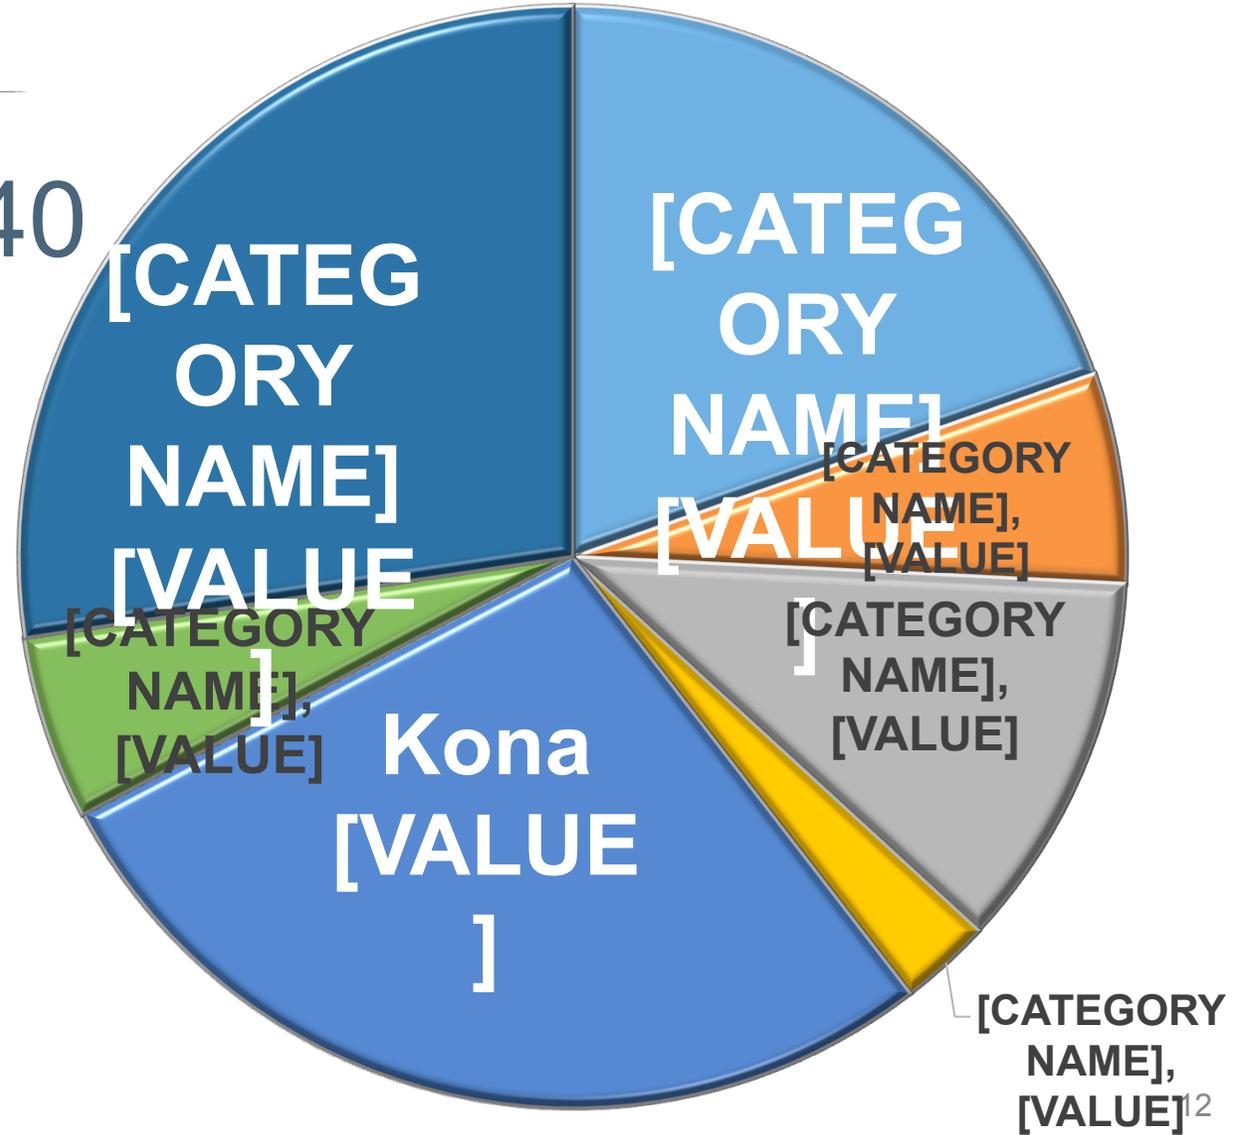

TREND MODEL

2015

2040

TREND MODEL

52%

growth by 2040

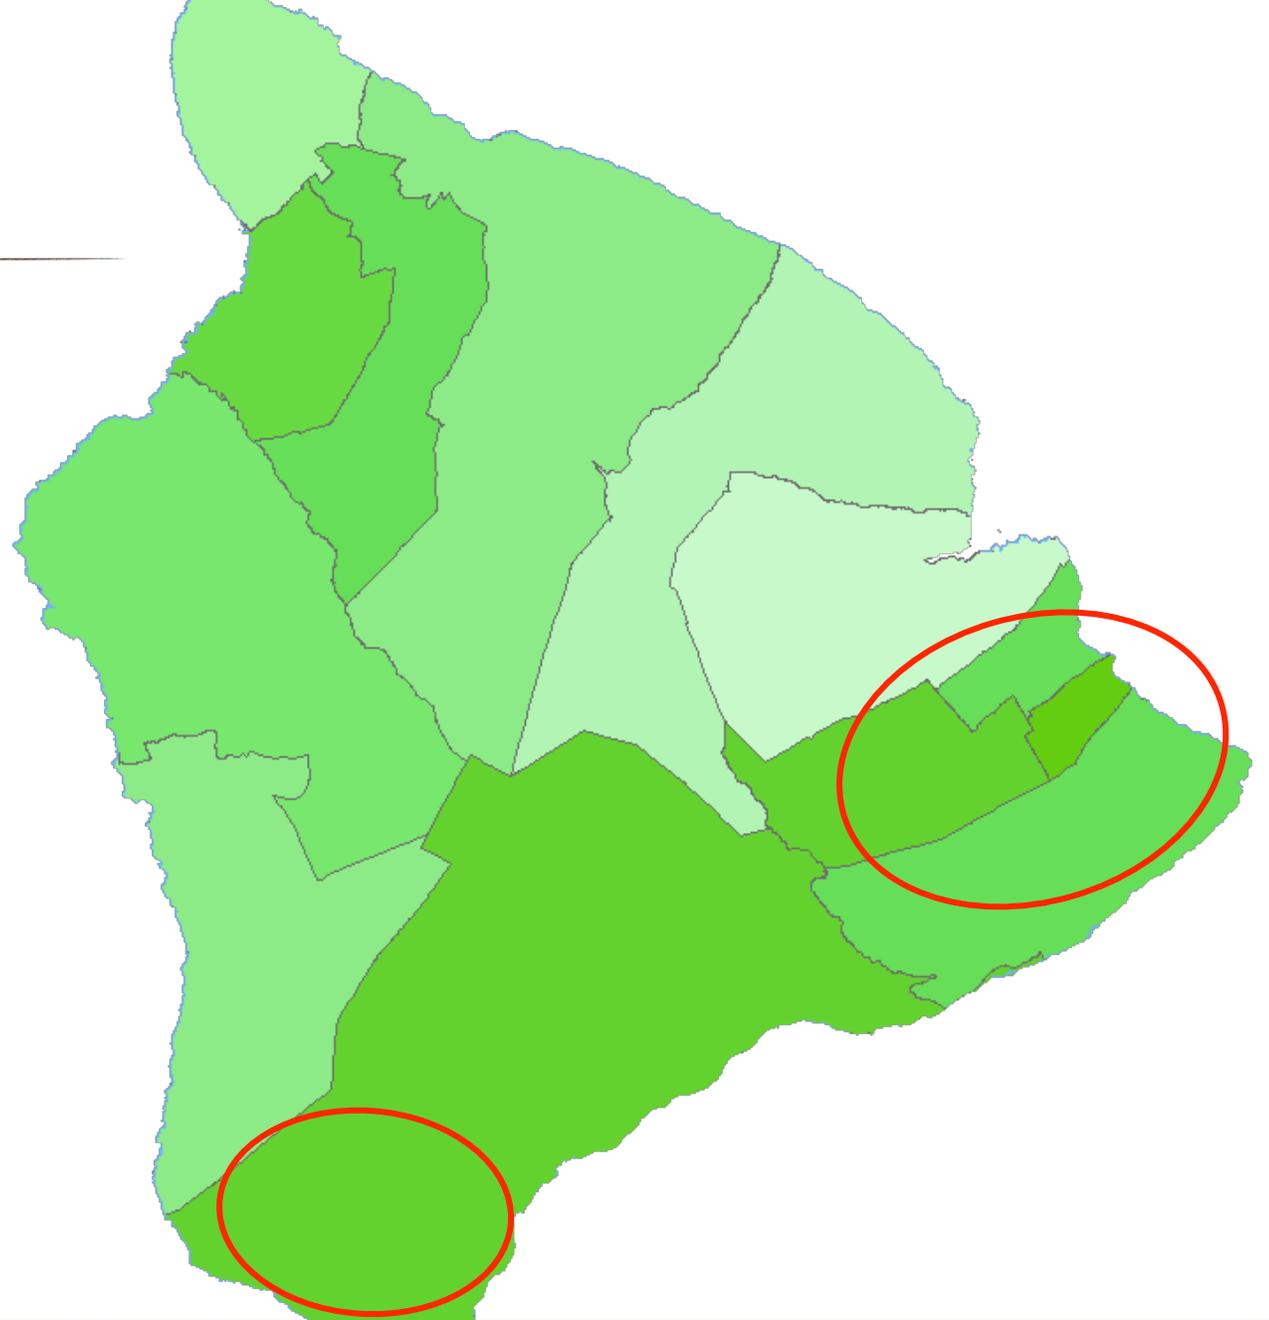

2015: 195,000

2040: 296,000

Rate of Growth

Slowest growth

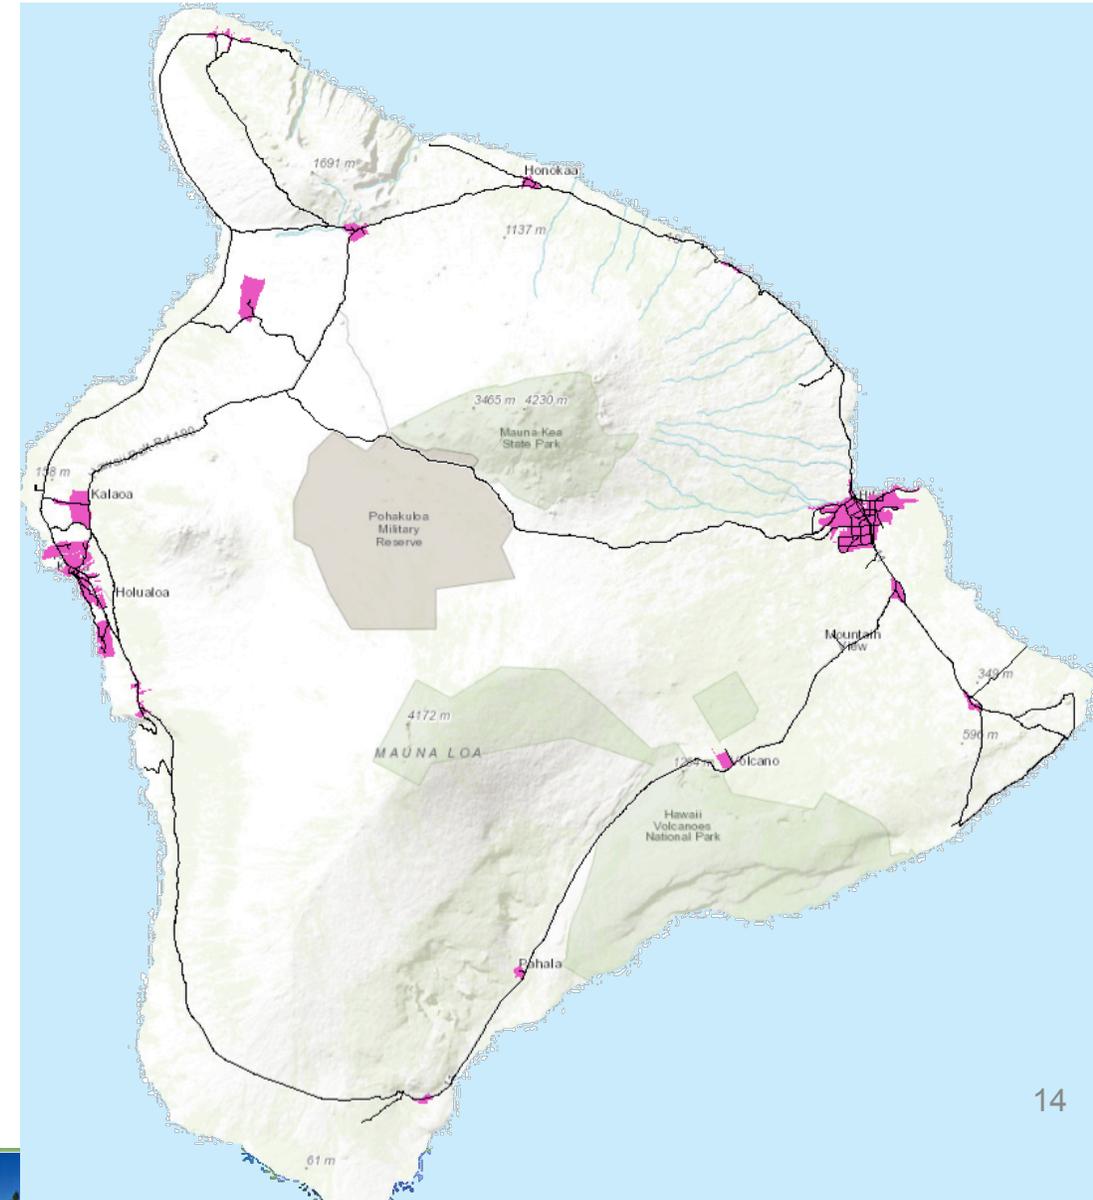

Fastest growth

INFRASTRUCTURE PRIORITY AREAS (IPA) MODEL

- Identify priority areas
- Focus future growth within IPAs
- Identified gaps in capacity and infrastructure
- Incentivized infill

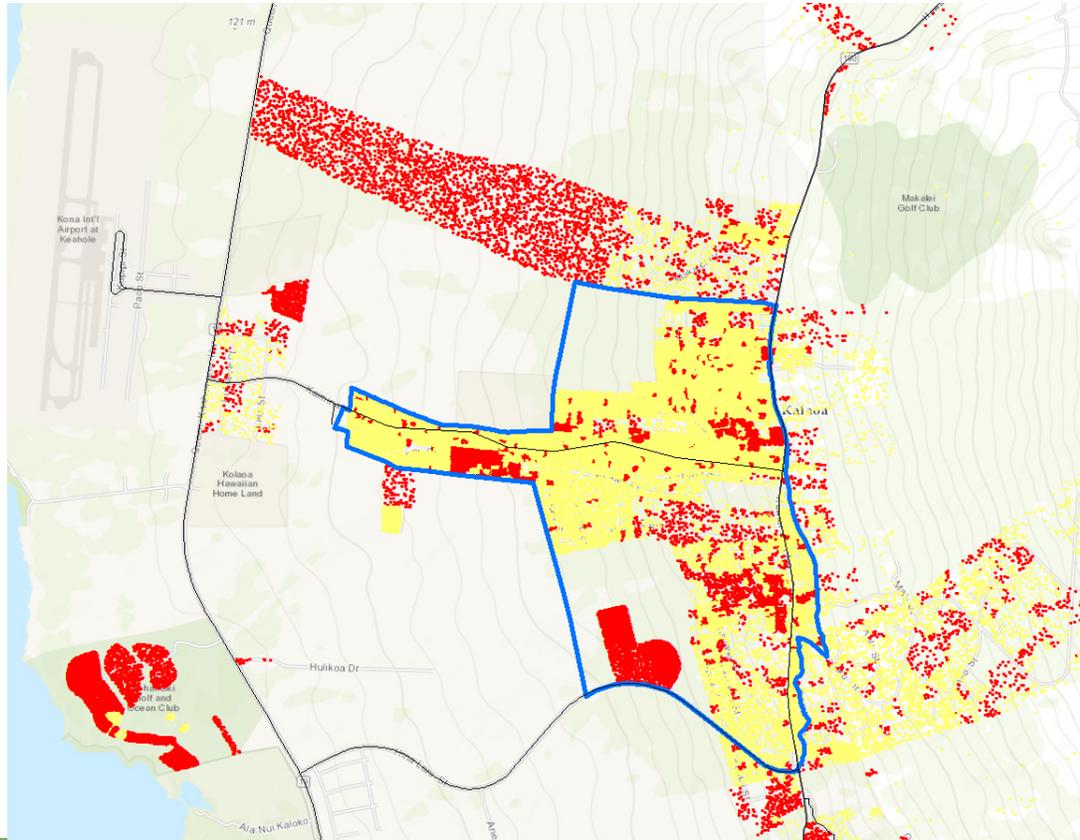

IPA MODEL

 IPA Boundary

 Existing home

 New home

Trend Scenario

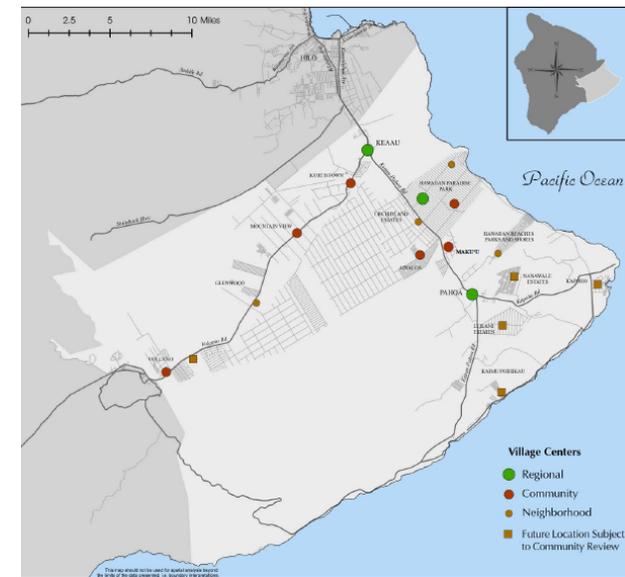

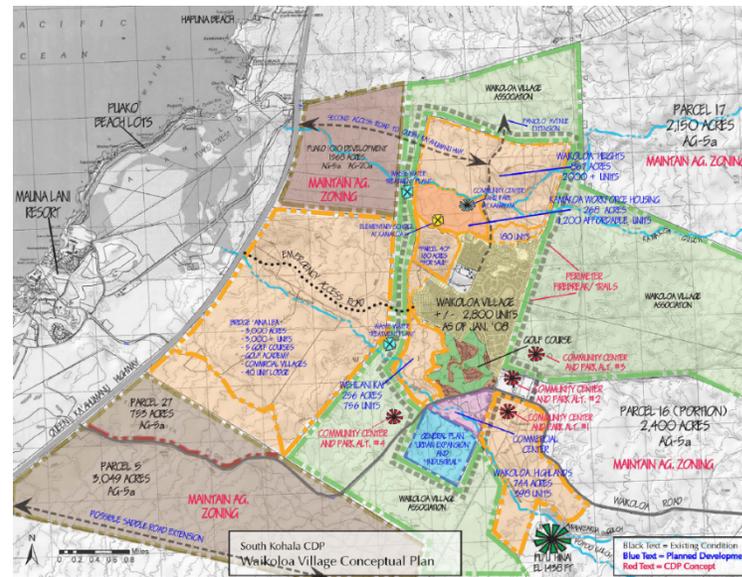

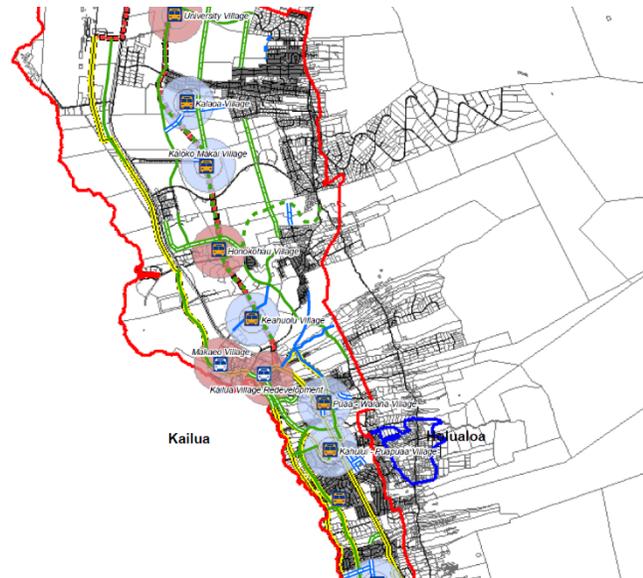

IPA Scenario

COMMUNITY DEVELOPMENT PLAN (CDP) MODEL

- Incentivized growth in concentrated areas
- Prioritized agriculture, conservation and/or hazard avoidance

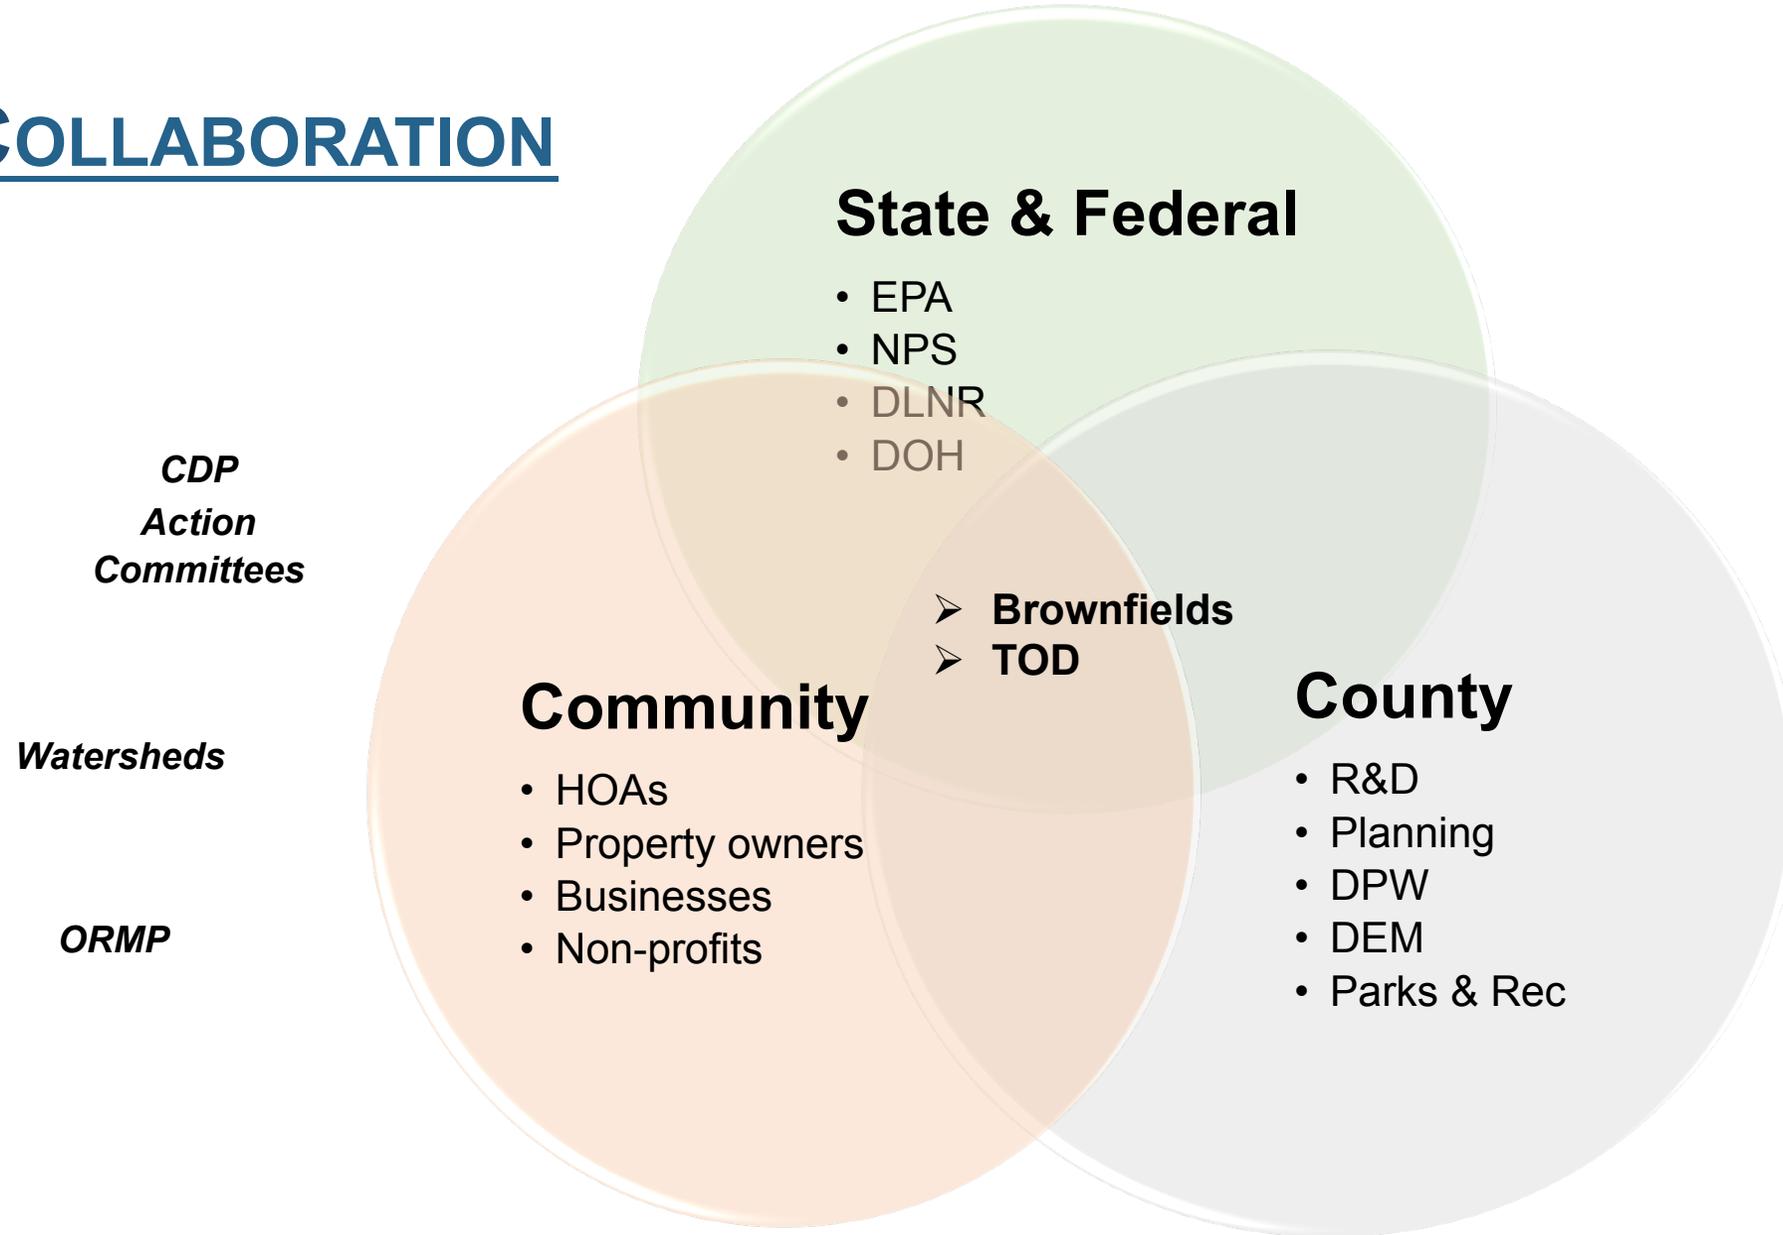

Great Planning & Development Requires Collaboration

Hawai'i County Brownfields Workshop

COLLABORATION

A sunset over the ocean with a bright sun low on the horizon, casting a golden glow across the sky and water. The sky is filled with scattered clouds, some catching the light of the setting sun. The word "Mahalo" is written in a large, blue, hand-drawn style font with a white outline, centered in the upper half of the image. A thin blue line underlines the word.

Mahalo
